

Not always a blessing will my
Husband be true to me I hate to
send you but I suppose I must
I love to keep your loving picture
Christ Science Christian Science
I Prayed a night and day for your
Release and I am poor your lovely
Brother will not be mad at me because
I am laughing laugh your dear
It will cost so much to try ask the
A clairvoyant yes if you have
The courage don't be significant
It is nearly always the best thing to
do ~~yes~~ you may hope so he loves
Another that is a difficult task
Try chaining absolutely how
could he help it yes, if you care for
your good name suddenly the one
with a mustache anything would
Become Benjamine or Norwich
Richest surroundings no you
Have passed from his thoughts no
He is as worthy always in company
He loves on only and that himself
Benjamine of God every
Day
